Createspace Independent Publishing Platform, United States, 2012. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Two things guaranteed in this life are death and change. We can only hope that at the end of our journey neither of the two is in vain. There is not a single day that goes by that I don t learn something different. Changes: Life s Constant Progression offers mine. There is nothing about me I felt I had to hide from anyone including myself. I gave myself freedom to express my thoughts, and what I didn t learn from my experiences, maybe someone else that reads them will. The journal writing aided in my self-actualization, though words of a teenage girl being raw and honest about my views of the world as I knew it. Poetry proves to be the most revealing.my growing pains were amusing to say the least. There is nothing that happens to us that we should be ashamed of as long as we take from it and put things into proper perspective. Maybe we will all attain pieces of knowledge from my progression in life. The journey was not always a fun one, but it was a journey nonetheless. Live with no regrets.
