Editions Universitaires Europeennes EUE Okt 2015, 2015. Taschenbuch. Book Condition: Neu. 220x150x7 mm. This item is printed on demand - Print on Demand Neuware - La réflexion menée sur le retard accusé par les pays pauvres aurait pour cause le Néocolonialisme;une nouvelle forme de colonisation qui consiste à l'accaparement des ressources naturelles de ces pays malgré la fin officielle de la colonisation. Cette politique n'est possible qu'avec le concours de plusieurs structures internationales qui sont en réalité des instruments de guerres aux mains des occidentaux. Les Occidentaux, dans le souci de maintenir l'Afrique sous le verrou, ont créé plusieurs instruments d'asservissements tel que la francophonie, la cour pénale internationale, l'organisation mondiale du commerce.etc. Cette situation met en relief l'épineuse question d'indépendance des Etats africains. La réalité c'est que les pays africains ne sont pas maîtres du choix politique,économique et culturel, ils sont toujours liés a l'ex-puissance colonisatrice qui entend toujours préserver son empire afin d'assurer son prestige au plan international. 120 pp. Französisch.
