By Stephen Tomkins

Lion Hudson Plc. Paperback. Book Condition: new. BRAND NEW, David Livingstone: The Unexplored Story (1st New edition), Stephen Tomkins, David Livingstone has gone down in history as a fearless explorer and missionary, hacking his way through the forests of Africa to bring light to the people - and also to free them from slavery. But who was he, and what was he actually like? He helped, however unwittingly, to set the tone and the extent of British involvement in Africa. He was a flawed but indomitable idealist." Fascinating new evidence about Livingstone's life and his struggles have come to light in the letters and journals he left behind, now accessible to us for the first time through spectral imaging. These form a significant addition to the source material for this excellent biography, which provides an honest and balanced account of the real man...
