

Montana Indian Reservations: Funding of Selected Services, Taxation of Real Property: Hrd- 89-1br

By -

Bibliogov, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.In response to a congressional request, GAO provided information on health care, social services, education, and real property taxes on four Indian reservations in Montana to determine: (1) what the state and Indians living on reservations spent on health care, social service programs, and education; and (2) if the counties assessed real property taxes on trust lands and tribal lands located within county borders and on lands within reservation boundaries. GAO found that: (1) Indians received county- or state-funded medical assistance unless they were eligible for Medicaid or Indian Health Service (IHS) programs; (2) IHS provided health care services in its facilities or paid for services in non-IHS facilities totalling \$23 million, while Indian tribes on the four reservations spent \$306,000 for health-related activities; (3) the counties or state funded social services to reservation Indians who were ineligible for other federal- and state-funded programs and did not receive Bureau of Indian Affairs (BIA) assistance; and (4) the state provided \$86,000 in child welfare, Aid to Families with Dependent Children program and foster care program funds totalled \$5.2 million...
