

Madness: The Invention of an Idea

By Michel Foucault, Alan Sheridan

HarperCollins Publishers Inc. Paperback / softback. Book Condition: new. BRAND NEW, Madness: The Invention of an Idea, Michel Foucault, Alan Sheridan, Compelling and highly influential, Michel Foucault's Madness is an indispensable work for readers who wish to understand the intellectual evolution of one of the most important social theorists of the twentieth century. Written in 1954 and revised in 1962, Madness delineates the profound shift that occurred in Foucault's thought during this period. The first iteration reflects the philosopher's early interest in and respect for Freudian theory and the psychoanalytic tradition. The second part marks a dramatic change in Foucault's thinking. Examining the history of madness as a social and cultural construct, he moves into a radical critique of Freud and toward the postmodern deconstruction that was to dominate and define his later work.

Reviews

It is easy in read through easier to fully grasp. it had been writtern very completely and useful. I am pleased to let you know that here is the greatest book we have read during my personal life and could be he very best book for possibly.

-- Miss Marge Jerde

It is really an remarkable publication i actually have possibly study. It usually is not going to cost excessive. Its been written in an exceedingly basic way and is particularly only right after i finished reading this publication through which basically transformed me, affect the way i think.
