Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The trial of political activists accused of inciting riots during the Democratic National Convention of 1968 attracted national attention and exposed the depths of political and cultural divisions at a crucial moment in the nation s history. The trial of the Chicago Seven became a defining event in public debates about the Vietnam War, the student protest movement, and the fairness of the federal judicial process. The defendants and their lawyers used the courtroom as a platform for a broad critique of American society and an almost anarchic challenge to the legitimacy of governmental authority. The judge in the case displayed open contempt for the defendants, and his own unorthodox behavior threatened public confidence in the judiciary. The nearly five-month long trial illustrated the contentious and often theatrical nature of public affairs during the late 1960s and early 1970s.
