## The Exquisite Corpse Adventure: A Progressive Story Game

By The National Children's Book and Literacy Alliance

Candlewick on Brilliance Audio, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. It all begins with a train rushing through the night. On board, twins Joe and Nancy begin a quest to rescue their parents. Along the way, they will encounter mad scientists, a talking pig, creatures from another dimension, several bad knock-knock jokes, plenty of explosions, a whole army of villains and varmints, and shape-shifting Eggy-Things. Figuring out who is friend and who is foe is the least of the twins problems as they piece together the body parts of a Top-Secret Robot who, when complete, will help to reunite their family. A collaboration between the National Children's Book and Literacy Alliance and the Library of Congress's Center for the Book, the hilarious Exquisite Corpse Adventure originated as a national literacy project for young people to help launch the READ.gov website.
