TEACH YOURSELF ETIQUETTE AND GOOD MANNERS (HARDBACK)

Hodder Stoughton General Division, United Kingdom, 2007. Hardback. Book Condition: New. 186 x 117 mm. Language: N/A. Brand New Book. First published in 1958, Teach Yourself Etiquette and Good Manners is a fascinating guide packed full of both timeless advice and tips that in today s world will make you chuckle. If this feeling is not reciprocated, the girl has only to decline this and subsequent invitations on the pretext of previous engagements. After one or two such outings, the girl can raise the question of paying her own share in future. By this time she should know something about him and be able to say in effect: I enjoy going out with you, I should like to do it again. But I m earning my living, you re not a millionaire, and it s not fair that you should go on paying for...
