

## The Great Cumberland Floods: Disaster in the Queen City

By Albert L Feldstein

History Press (SC), United States, 2009. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book. The mountain snows melted and the rains came. In 1853, thousands fled the rising water; in 1889, two days of torrential rain ravaged the city; and in 1936, the infamous St. Patrick's Day flood saw a swell of ten feet. Perched on the banks of the Potomac River, the city of Cumberland, Maryland, has been plagued by devastating floods since its foundation. Time and again, deluges have brought the city to its knees. Yet the Queen City has always risen triumphant and undimmed from the raging waters. With this stunning collection of images, historian and author Albert L. Feldstein chronicles the history of Cumberland through its floods and the valiant efforts of its citizens to stem the tide.
