Speedy Publishing LLC, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Macro economics examines the events and forces that effects one s economy but which originates from outside of one s defined geo-economic area. Macro events may be financial events such as the faltering of an economy of another country as well as non financial events such as the effects on a societies economy as a result of a major nature event such as a flood or earthquake. A chart would help outline the key factors in a macro economic society.
