OLD TESTAMENT LEGENDS

[DOWNLOAD](#)

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.If you read the title-page of this book-a thing which young persons very seldom do-you will see that it (the book) contains stories taken out of some of the less-known apocryphal books of the Old Testament. You will very possibly not understand what that means; but if you will read this preface-another thing which young persons do even seldomer than they read a title-page-you will find the best explanation that I can give. I have to begin by talking about the word apocryphal. The newspapers are fond of saying that a statement made by the Prime Minister (or the leader of the Opposition, according to which side in politics the newspaper takes) is apocryphal. By this, the newspaper means to say that the statement was untrue. Or, you will read that someone obtained money or goods by saying that he possessed large estates abroad; and that the estates turned out to be apocryphal. By this is meant that they did not exist. But when you read of a book being apocryphal, something rather different is meant: either that it is spurious, i.e. that it pretends to be written by someone who did not write it; or that what is in it is fabulous and untrue, like the stories of King Arthur; or both.
