according to My heart, and they shall feed you with knowledge
and understanding. - The world has been infected with the virus
of sexual addiction and pornography. The material presented
on our TV screens grows darker and more explicit each year, and
the internet provides free passage into darker territory still. This
virus is deadly, and millions are already slowly dying inside from
its insidious effects. This book is an antidote to the present
epidemic. It is a message of hope and not despair. It presents
practical and godly ways in which freedom from this bondage
can be found. It also tells the testimonies of men and women
who have escaped the trap of compulsive addictions to live
healthy, productive, fruitful lives.
