Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

ESCAPE UNDER THE FOREVER SKY

So Lucy s life must be one big adventure, right? Not really. Her parents are more focused on their careers than their family, so they live on different continents. And Lucy s worrywart mother keeps her locked up inside the ambassador s residence for her own good. Lucy s had enough. So one day, she and a friend sneak off. When Lucy s kidnapped, things get decidedly more interesting. Using her knowledge of African animals, inventiveness, will, and courage, Lucy embarks on an adventure beyond her wildest dreams. A gripping tale, loosely based on real life events, this page-turner by a debut novelist will have readers riveted from start to finish.
