

Grant's Secret Service: The Intelligence War from Belmont to Appomattox

By Feis, William B.

University of Nebraska Press, UK, 2004. Softcover. Book Condition: New. First Edition. Available Now. Book Description: 'The art of war is simple enough,' said Ulysses S. Grant. 'Find out where your enemy is. Get at him as soon as you can. Strike him as hard as you can and as often as you can and keep moving on'. Much has been written on Grant and his pursuit of the latter two prescriptions; William B. Feis offers us the first scholarly examination of Grant's first principle, the often vexing question of just where his enemy was and what he was doing. In the western theatre, Grant was successful despite limited intelligence resources; his victories there stemmed in part from his ability to analyze his opponents and anticipate their actions. In the absence of intelligence data, Grant's initiative, determination, and drive carried him to success. In the East, however, to overcome Lee's advantages of strategic and operational mobility coupled with his own initiative, Grant had to adapt and became more reliant on intelligence to provide information about Confederate movements and intentions. Feis makes the new and provocative argument that Grant's use of the Army of the Potomac's Bureau of Military Information played a...

Reviews

An exceptional publication as well as the font applied was intriguing to learn. It usually does not charge an excessive amount of. Its been designed in an exceedingly basic way and it is just after i finished reading through this book through which in fact altered me, modify the way in my opinion.

-- **Haylee Hackett**

It in a of the best ebook. It generally is not going to expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.
