

Truth Freedom A Match Made In Heaven Antivirus Protection for Your Cranial Computer

By Les Huntley

Intermountain North Publishing. Paperback. Book Condition: New. Paperback. 208 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. If this book is not the most important piece of writing in the last 1600 years, then it is worthless trash; its either pure gold or fools gold. There is no middle ground. The author presents it as finest gold; its readers must determine if it is gold or fools gold for them. The book explores how truth influences freedom. It contends that any untruth deliberately told is told to control the actions of others. Liars are controllers and anyone who willingly or unwillingly does what others want him to do is effectively a slave of the ones who control him. The issue is freedom versus slavery; that slavery can be avoided only by those who know and act upon the truth. This is not a perfect book, nor is it an easy read. It is an instruction manual for those willing to do the work of learning how to find truth and live free. Some have said it is three books in one and that it is. The first two chapters introduce propaganda as the method of control and suggest ways to protect against...
