Long Climb: From Barber-Surgeons to Doctors of Dental Surgery

By Philias R. Garant

Quintessence Publishing Co Inc., U.S., United States, 2013. Paperback. Book Condition: New. New.. 241 x 165 mm. Language: English . Brand New Book. Unlike other books on the history of dentistry, The Long Climb: From Barber-Surgeons to Doctors of Dental Surgery outlines the personal struggles endured and victories achieved by the leading personalities of dentistry during its development from antiquity to the present. It showcases the courage and determination of dentistry's pioneers while exposing the episodes of weakness and dishonesty that tarnished the image of the dentist. By highlighting the controversies surrounding major advances in dentistry -- gold versus amalgam fillings materials, operative versus mechanical dentistry, the relationship between medicine and dentistry, and the restriction of practice imposed by patents -- this book gives life to the same old story, making this history book the most robust and entertaining of its kind.

Reviews

Most of these publication is the perfect ebook accessible. It is amongst the most awesome publication i have got read through. You wont truly feel monotony at whenever you want of the time (that's what catalogs are for regarding in the event you request me).

-- **Prof. Edgar Kshlerin**

It is easy in study safer to comprehend. It can be writter in basic phrases and never confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.
