STATISTICAL ABSTRACT OF THE UNITED STATES VOLUME 5

RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 334 pages. This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1996 Excerpt: . . . Statistical Tables; and annual, biennial, triennial, and special reports. Titles or the areas of coverage of these reports include the following: Science and Engineering Indicators; National Patterns of R and D Resources; Science and Engineering Personnel--A National Overview; Women and Minorities in Science and Engineering; science and technology data presented in chart and tabular form in a pocket-size publication; International Science and Technology Data Update; profiles on human resources and funding in individual fields of science and engineering; Federal Funds for Research and Development; Federal R and D Funding by Budget Function; Federal Support to Universities, Colleges, and Selected Nonprofit Institutions; Scientific and Engineering Facilities at Universities and Colleges; Geographic Distribution of Industrial R and D Expenditures; Research and Development in Industry; R and D funds and graduate enrollment and support in academic science and engineering; characteristics of doctoral scientists and engineers and of recent graduates in the United States; U. S. Scientists and Engineers; and scientists, engineers, and technicians in manufacturing, nonmanufacturing, and trade and regulated industries. Statistical surveys in these areas pose problems of concept and definition and the data should, therefore, be regarded as broad estimates rather than precise quantitative statements. See sources for details. The National Science Boards biennial Science and Engineering Indicators contains data and analyses of international and domestic science and technology, including measures of inputs and outputs. The Budget of the United States Government, published by the U. S. Office of Management and Budget, contains summary financial data on Federal R and D program....
