

Marcel Duchamp: Artist of the Century

Filesize: 7.11 MB

Reviews

A really wonderful book with lucid and perfect reasons. This can be for all who statte there was not a worth reading through. You are going to like how the author write this book.
(Dr. Grady Jacobi DDS)

MARCEL DUCHAMP: ARTIST OF THE CENTURY

MIT Press Ltd, United States, 1991. Paperback. Book Condition: New. New edition. 227 x 149 mm. Language: English . Brand New Book. One hundred years after his birth, Marcel Duchamp remains an enigma; no other artist, perhaps, has produced so varied a group of masterpieces in so short a span of time. These eleven illustrated essays explore the structure and meaning of Duchamp s work as part of an ongoing critical enterprise that has just begun. Ranging from the Munich period and the development of the ready-mades to the last work, Etant donnees, they present the latest thinking on Duchamp and his ideas. Rudolf Kuenzli is curator of the International Dada Archive at the University of Iowa, editor of the journal Dada/Surrealism, and Professor of English and Comparative Literature at the University of Iowa. Francis M. Naumann teaches at the Parsons School of Design and has written or numerous arts journals.
