## THE YOUNG EARTH

To get **The Young Earth** PDF, you should access the web link listed below and download the ebook or get access to additional information which are highly relevant to THE YOUNG EARTH book.

Book Condition: New. Publisher/Verlag: Springer Netherlands | An introduction to Archaean geology | &apos;What are we going to do with a parcel of old stones?&apos; wrote the director of an African museum a century and a half ago, when one of my ancestors presented him with a splendid collection of fossils of mammal-like reptiles. Old stones, however intriguing, are difficult to interpret, dusty, and do not fit well in the neatly ordered contents of a house of learning. Archaean geology, which is the study of the Earth&apos;s history in the period from after 9 the end of planetary accretion (4.5-4.4 x 10 years ago) up to the beginning 9 of the Proterozoic (2.5 x 10 years ago) is much the same - a parcel of old stones seemingly impossible to understand. Yet these stones contain the history of our origins: they can tell us a story that is interesting not just to the geologist (for whom this book is primarily written) but instead addresses the human condition in general. | I Background: Concepts and field evidence.- 1 Introduction.- 1.1 Purpose and scope.- 1.2 Concepts.- 1.3 Catastrophes vs. uniformity.- 1.4 Archaean stratigraphy and mapping.- 2 Geochronology and other uses of isotopic analysis.- 2.1 Introduction.- 2.2 K-Ar and <sup>40</sup>Ar/<sup>39</sup>Ar methods.- 2.3 Application of K-Ar data.- 2.4 Rb-Sr dating.- 2.5 Sm-Nd, Lu-Hf and Re-Os methods.- 2.6 U, Th-Pb dating methods.- 2.7 Choosing a dating technique.- 2.8 The isotopiC record of planetary evolution.- 3 Archaean terrains: the available geological evidence.- 3.1 Introduction.- 3.2 Transects through the Archaean crust.- 3.3 Archaean &apos;cover&apos; successions.- 3.4 Granite-greenstone terrains.- 3.5 Construction of the craton.- 3.6 Other Archaean low-grade terrains.- 3.7 Gneiss terrains.- 3.8 Archaean high-grade terrains.- 3.9 The information available in Archaean terrains.- 3.10 An example of an Archaean field area: the Belingwe Belt, Zimbabwe.- 3.11 The Archaean...
