## CRITICAL ASSESSMENTS OF INTERNATIONAL CRIMINAL COURTS: VOL 27 NO 1

Federation Press, Australia, 2010. Paperback. Book Condition: New. 234 x 156 mm. Language: English . Brand New Book. This volume focuses on the operational of international and hybrid criminal courts. Eight expert authors analyse what happened, or didn t happen, in the major international criminal tribunals (ICTs) of the past 20 years, and make constructive suggestions for improvements. Four articles concern issues in particular tribunals: Rwanda, Sierra Leone, East Timor and Cambodia. Other articles consider the problems raised by the right to a speedy trial in ICTs and the principle that the ICC should be complementary to, and not competitive with, state domestic courts. Critical Assessments of International Criminal Courts is a special issue (Volume 27 No 1) of the journal Law in Context. You can purchase a single copy of this issue through this page, or subscribe to the journal from the journal page.
