From her origins as a World War II-era avatar of William Moulton Marston's vision of a feminist bondage utopia to the present day, this book looks closely at seven decades of Wonder Woman comics alongside her appearances in television and film. Through her many highs and many lows, this book traces the unlikely story of the world's most popular feminist character. This item ships from La Vergne, TN. Paperback.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
