Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

MEN AT ARMS: (DISCWORLD NOVEL 15)

Transworld Publishers Ltd. Paperback. Book Condition: new. BRAND NEW, Men At Arms: (Discworld Novel 15), Terry Pratchett, 'What's so hard about pulling a sword out of a stone? The real work's already been done. You ought to make yourself useful and find the man who put the sword in the stone in the first place.' The City Watch needs MEN! But what it's got includes Corporal Carrot (technically a dwarf), Lance-constable Cuddy (really a dwarf), Lance constable Detritus (a troll), Lance constable Angua (a woman .most of the time) and Corporal Nobbs (disqualified from the human race for shoving). And they need all the help they can get, because someone in Ankh Morpork has been getting dangerous ideas - about crowns and legendary swords, and destiny. And the problem with destiny is, of course, that she is not always careful where she points her finger. One minute you might be minding your own business on a normal if not spectacular career path, the next you might be in the frame for the big job, like saving the world.
