

A Community Arithmetic (Classic Reprint)

By Brenelle Hunt

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Community Arithmetic Most modern textbooks in arithmetic contain a logical development of processes as well as excellent drills. The authors long experience, however, has impressed on him the fact that the greatest difficulty encountered by teachers consists in providing suitable applications for the processes taught - applications which give the pupils a clear understanding of industrial and business activities that have an arithmetical basis. This is a book of applications to be placed in the hands of pupils in the upper grades of the Elementary School or in the Junior High School. Neither teachers nor pupils require a first-hand knowledge of the lines of business or industry studied, as the lessons furnish the necessary information and explain how the processes apply. The lessons show the community needs and develop the processes as the needs arise. Many lines of work common to the average large town and based on arithmetical processes are represented in these lessons. Enough pages have been devoted to each subject to secure an intelligent understanding of the business or industry as...
