Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Britain on the Ropes, is a candid account of a West Indian immigrant who found himself on the shores of the British Isles after being sent from St. Lucia in the early 1960 s. He recalls those early days of work, racism and his love of boxing. Winston gives a balanced view not only of his life in the early days, but the hard years which followed, all the way through to the present. For more than 5 decades, he s seen Britain change, bend, and buckle under social and economic times. Giving a fresh, balanced and many would say, a truthful description of how Britain is coping with social injustice and the political landscape both in the UK and Europe. Like his father, who he left back in St. Lucia, he too had a rosey coloured view of the country, but what he found on his arrival was very different. He shares with you his experiences through the years, how his love for his new home begins to grow and how his experiences in education, gave him another perspective and how the countries current leap into opening the door to Eastern European migrants has started to change the look and feel of Britain. For the good? Reading what this book has to say will reveal a surprising answer. When you ve finished reading this honest account from someone, who was once looking from the outside in, and then being that person on the inside, you ll get a sense of how Britain is today and a true insight of the different facets of British life. If you re a reader, who enjoys reading a balance and honest...
