

## The Rhino, Remembering the Dream

By Pat Britt

Turtle Press, United States, 2011. Paperback. Book Condition: New. 210 x 148 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.For nearly forty years, my dreams have been dominated by a large, earthy, gravelly-voiced rhinoceros. He may appear by himself or with his numerous friends: dung beetles, tigers, turtles, stars, and many others. Occasionally his friends come without him. He travels easily through the world. Sometimes he carries me on his back; sometimes we meet in a specified location. But wherever we traveled, I always felt there was a purpose to the trip and that I was missing the point. He seemed to be the trickster- the oracle who gives a technically correct but misleading answer to our most basic questions. I often thought he wanted me to view life as a whole, not with the limited eye of my rational self. Then he seemed symbolic of the onrushing flow of life. I finally realized he speaks for life-all life, not just human life, but for the lives of animals and plants, for the life of the earth itself. His message is that we must turn away from our arrogance and learn again to live with the...

### Reviews

*This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- **Brennan Koelpin**

*Comprehensive guide! Its this type of very good read through. It is actually writter in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*
