

## Crs Report for Congress: U.S. Immigration Policy: Chart Book of Key Trends

By Ruth Ellen Ellen Wasem

Bibliogov, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This report is a chart book of selected immigration trends that touch on the main elements of comprehensive immigration reform (CIR). Most policymakers agree that the main issues in CIR include increased border security and immigration enforcement, improved employment eligibility verification, revision of legal immigration, and options to address the millions of unauthorized aliens residing in the country. The report offers snapshots of time series data, using the most complete and consistent time series currently available for each statistic. The key findings and elements germane to the data depicted are summarized with the figures. The summary offers the highlights of key immigration trends. The United States has a history of receiving immigrants, and these foreign-born residents of the United States have come from all over the world. Immigration to the United States today has reached annual levels comparable to the early years of the 20th century. Immigration over the last few decades of the 20th century was not as dominated by three or four countries as it was earlier in the century, and this pattern has continued into...
