Kip a New York jazz pianist whose career was cut short by a neurological disease returns from a failed suicide attempt with a vivid, detailed memory of his journey through the afterlife. Resembling the world as he knows it, but unlimited in space and time, it s unlike any eternity he has contemplated. Its residents are those who choose not to reincarnate, which would erase all memory of who they once were. Kip has a quest: to find his beloved Lucy, a yoga teacher who shared his apartment for years but died of leukemia before he took his own life. Is she still here?
